

Rochester Cathedral welcomes up to 17,000 schools on educational visits each year. We try hard to cater for the needs of all our visitors and have recently expanded our provision for special schools. Our full programme can be viewed at www.rochestercathedral.org

Any activity from our general offer can be adapted to specifically meet your students' needs. In addition we have designed three distinctive offers aimed at special schools.

Multi-Sensory Mini-Tour

An interactive guided tour of the cathedral—baptise a baby at the font, try on a real bishop's mitre, stand in the pulpit, discover the stories hidden in the Lady Chapel windows. We will tailor make this multi-sensory tour to match your learning objectives. Cost per pupil £1.40 (Sept—Feb) or £1.90 (March—Aug).

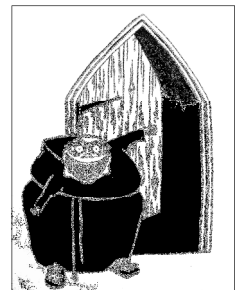

NEW for 2010 Calming the Storm Dance Project

Working with a professional dancer in the Cathedral Nave pupils explore either the story of the Calming of the Storm or Noah's Ark using silks, a parachute and lots of imagination. The session can be adapted to suit all ages and abilities. Duration—up to 2 hours (with break). Cost—£60 per session.

The Open Door Pass

For £50 this 12 month pass entitles the participating school to unlimited entry to the Cathedral for self guided visits plus access to our **new handling collection**. All visits must be pre-booked.

Free Twilight Session for Teachers Mon 11th Oct 2010 4—5.15pm

Join us in the crypt to find out more about our new programmes.

Booking essential. Please call or email to reserve a place.

For further information please contact the Education Department on 01634 810066, email assistofficer@rochestercathedral.org or visit the Educational Visits page of our website www.rochestercathedral.org
